

The SSE Group is one of the leading organizations in the field of explosives production, mining techniques as well as the development and production of highly specialized chemical and pharmaceutical products. It is our group vision and main value to act everyday as a service premium company and to be perceived as a sustainable and reliable partner to all our stakeholders. The health, safety (EHS) and wellbeing of all SSE employees is of most relevant importance for SSE. Our commitment for a strong EHS culture builds the foundation for SSE's values and principles. For our Swiss locations, we are looking for an

EHS & Sustainability Manager (80 - 100%)

Your responsibilities:

- Advise and support the local teams by implementing the SSE EHS & Sustainability culture and roll-out the group EHS & Sustainability strategies in the area
- Support to improve the area EHS & Sustainability performance by defining and analyzing relevant KPIs, current practices, preventive measures and investigation of accidents / incidents in close collaboration with the organization
- Provide professional support and training to the organization
- Support the professional exchange of information and topics between the local entities sharing best practices
- Support actively EHS & Sustainability and risk audits as well as incident & accident reporting, environmental reporting and crisis management

Your qualification profile:

- Bachelor or master's degree in Chemistry, Chemical Engineering, Mechanical Engineering, or similar education with 5-10+ years of experience within Environment, Health & Safety
- Advanced working knowledge of EHS regulations, EHS management practices, and EHS processes
- Experience and working knowledge to identify potential risks or gaps in EHS policies and procedures, identify and propose potential solutions, and recommend an action plan and push its implementation
- Demonstrated ability to maintain and renew technical and regulatory expertise
- Strong interpersonal and communication skills. Works effectively in a team-based environment. Ability to influence others in support of organizational goals and objectives
- Skilled in office and database computer software (i.e., Word, PowerPoint, Outlook, Excel, SharePoint)
- Completed MSST-certification in alignment with MSST directive (CFST directive 6508) or intention to obtain it in the near future
- Fluent in German and English, knowledge of French is an advantage
- Flexible for travels in the area (up to 20% of the working time)

What we offer:

- Flat hierarchy in a family working atmosphere
- First-class social benefits (pension fund, family allowance, contribution to health insurance)
- Excellent employment conditions (40 hours/week, 33 vacation days/year)
- Motivated and committed team
- Opportunity to contribute your own ideas

We look forward to receiving your complete application documents by email to: human_resources_ch@sse-group.com
